

## Planned or Legacy Giving

The time will come for you to consider what you will pass on to others. Consider how Missouri Slopes' mission to enrich the lives of those we serve with love and compassion could have a place in your legacy.

Your future gift allows Missouri Slope to provide a quality experience and assure long-term sustainability for senior services. Your gift will help us be prepared to meet those needs.

Request our Ways to Give brochure for more details on planned giving.

Founded in Christian Faith, our healthcare facility has provided exceptional care dating back to incorporation in 1962. Missouri Slope continues to be the only locally owned and managed long-term care and senior living organization in our region. All money raised by our Foundation stays in our community and has a major impact on the daily lives of residents, tenants, families, and employees. We are grateful for your support in providing for the needs of those requiring skilled, compassionate, and loving care.

“

All of us want quality of life for our parents and loved ones. When our parents could no longer safely stay in their home we were fortunate to have MSLCC where they received quality care in a spiritual environment.

## Honorarium & Memorial Giving

We gratefully accept gifts in honor or memory of loved ones. These gifts may be directed to our general fund to be used where needed most, to M-Club, or our capital campaign.

## Capital Campaign

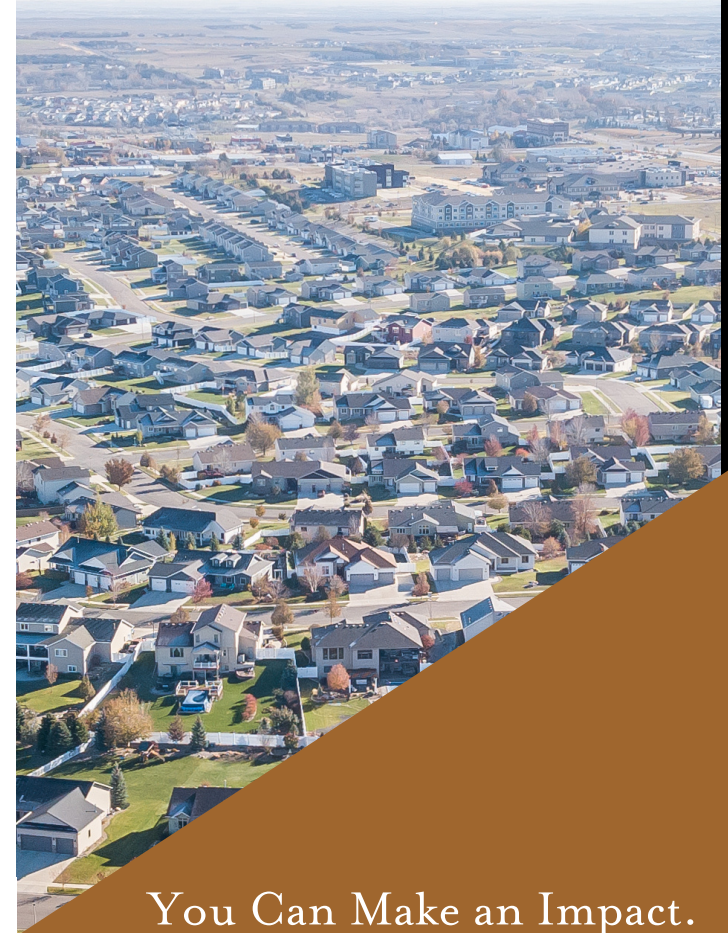

Our Washington campus was built to provide a safe, secure, and spiritual environment for those in need of care. As a non-profit, community owned care center, we need local support to reach our goal of \$5 million to fully enhance the amenities and make this a home you would want your aging parents or friends to reside in when the need arises.

## Qualified Endowment Fund

Funding of the endowment enables us to look to the future with increased confidence as we continue to fulfill our mission to enrich the lives of those we care for with love and compassion.

## Local Dollars. Local Decisions. Community Owned.

## You Can Make an Impact.

The Missouri Slope Lutheran Care Center Foundation exists to enrich the lives of our residents, tenants and staff by raising funds to provide amenities throughout our campus that might not be funded without the generous support of our donors.

Our Foundation is a non-profit 501(c)(3) charitable organization.
